### **The Warranty – Repair or Replacement**

Y&Z will at its election, pursuant to its obligations under the Competition and Consumer Act 2010: repair or replace the defective product or part and make appropriate adjustment. The warranty shall expire after the set period from the date of original purchase, where a product is covered by this Warranty. Y&Z will undertake the replacement parts and/or product, regardless of the interim service within that period. This Warranty is subject to the conditions and exclusions below. Y&Z warrants those products manufactured and distributed by Y&Z and will be free from inherent defects in materials and workmanship for the warranty period applicable to the product. This Warranty only applies within Australia.

**Please ensure you inspect your products FOR MANUFACTURING DEFECTS or DAMAGES IN TRANSIT prior to installation.**

Carefully check the product to make sure it is what you ordered.

**If any defects or damages are found IT MUST NOT BE INSTALLED, keep all packaging, and immediately notify Y&Z or your reseller. If you proceed to install without authority, this will void your warranty.**

Claims for defects, size, shade variation, incorrect delivery and other faults that should have been reasonably obvious before installation was carried out, WILL NOT BE ACCEPTED.

#### **DEFECTS WARRANTY**

**Regulation 90 of the ACL 2010, states;**

**“Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.”**

#### **Not covered by this Warranty**

The supplier and this Warranty do not cover damage or defect arising out of the following: Normal and fair wear and tear; Misuse, abuse or mishap; Exposure to excessive moisture e.g., directly beside a bath or open shower. If the installation is likely to encounter excessive moisture, please consult your reseller for further advice. Care must be taken to immediately dry and spillage or leakage of water that may gain access to the cabinet, as water damage is not a justifiable claim.

Exposure to excessive heat, direct flames, ultraviolet radiation or harsh chemicals; Use of abrasive cleaners, steel wool, metal implements or objects with sharp edges; Failure to follow installation instructions.

Any event not due to a defect in the manufacturer of the Product.

#### **NOTE:**

The materials used in the manufacture of Y&Z vanities are water resistant, **NOT WATERPROOF**, unless stated otherwise. Installation of the product must be by qualified & licensed Tradespersons.

#### **Ceramic Tops/Basins**

All Y&Z ceramic tops and basins exclude cracking caused by faulty installation of wastes, also excluding normal wear and tear for five (5) years from date of purchase.

A waterproof sealant should be used to help seal the basin and fill the gap between the basin and vanity bench. **Do not use epoxy type glues-** these glues harden and prevent the expansion and contraction of the basin which can lead to the basin cracking or crazing. **The use of epoxy glues will void this warranty.**
